

Interviewer: Thanks for joining. Let's start with a technical deep-dive ? tell me about a challenging project you've led recently.

Candidate: I led incident response across three teams in 2023

Candidate: Alignment across three PMs was harder than the tech

Candidate: Impact versus effort matrix drove the priority call

Candidate: I paired juniors for two weeks then grew ticket complexity

Candidate: All three were promoted within a year

Interviewer: That's a solid foundation. How did you handle back-pressure when the pipeline fell behind?
